EXTENSION OF EMERGENCY
Volcanic of Anatahan

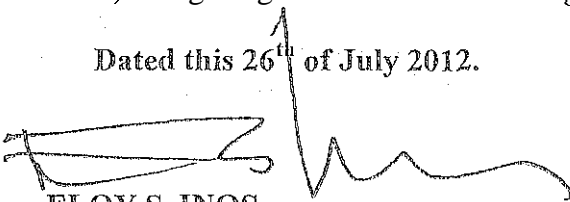

WHEREAS, On May 13, 2003, a Declaration of Emergency was issued with respect to volcanic activity on the island of Anatahan; and

WHEREAS, said Declaration declared the island of Anatahan as unsafe for human habitation and restricted all travel to said island with the exception of scientific expeditions; and

NOW, THEREFORE, I, ELOY S. INOS, by the authority vested in me as Acting Governor, and pursuant to Article III, Section 10 of the Commonwealth Constitution and 3 CMC §5121, and in accordance with the Emergency Management Office, Commonwealth of the Northern Mariana Islands and US Geological Survey, do hereby extend a state of disaster emergency in the Commonwealth with the respect of the island of Anatahan under the same terms and conditions as are contained in the original Declaration.

This Extensions of Emergency shall remain in effect for thirty (90) days, unless; the Governor shall, prior to the end of the 90-day period, notify the Presiding Officers of the Legislature that the state of emergency has been revoked or further extended for a Bike term, and giving reasons for extending the emergency.

Dated this 26th of July 2012.

PUBLIC NOTICE

NOTICE OF ADOPTION OF EMERGENCY REGULATIONS TO AMEND SCHEDULE OF FEES FOR COMMONWEALTH HEALTHCARE CORPORATION

EMERGENCY REGULATIONS TO AMEND SCHEDULE OF MEDICAL FEES

EMERGENCY ADOPTION AND IMMEDIATE EFFECT: The Commonwealth Healthcare Corporation, through its Chief Executive Officer Juan N. Babauta, in consultation with the Board of Trustees of the Commonwealth Healthcare Corporation, and with the concurrence of the Governor of the Commonwealth of the Northern Mariana Islands, finds that the Emergency Regulation to Amend Schedule of Medical Fees shall be adopted immediately on an emergency basis to avert an imminent peril to the public health, safety and welfare, and because the public interest so requires, for the reasons stated below (1 CMC § 9104(b), 1 CMC § 9105(b)(2)). These amendments shall become effective immediately upon filing with the Commonwealth Register and delivery to the Governor, (1 CMC § 9105(b)(2)), and shall remain in effect for 120 days. (1 CMC § 9104(b)).

AUTHORITY: Public Law 16-51, § 2, establishes the Commonwealth Healthcare Corporation ("CHC"), a public corporation, as successor to the functions and duties of the Department of Public Health. (3 CMC § 2803(a)-(f)). CHC is authorized to adopt rules and regulations as may be necessary for the exercise of its powers, performance of its duties, or administration of its operations. (3 CMC § 2804(l)). The Chief Executive Officer of CHC is authorized to exercise all powers vested in CHC by PL 16-51. (3 CMC §§ 2805(a); 2806(b)). Pursuant to PL 16-51, CHC is required to "[e]stablish a schedule of market oriented fees to be charged for care and service at its facilities," to propose the "adoption of fees and charges that are sufficient to recover the Corporation's full costs and fund adequate financial reserves" and to "[a]dopt and maintain financial controls and policies consistent with those of well managed nonprofit and public healthcare corporations doing business in the United States." 3 CMC 2804(c), (d), (n).

On April 20, 2012, Governor Benigno R. Fitial issued Executive Order 2012-03, "Declaration of Health Emergency" pursuant to the Governor's authority under Article III, Section 10 of the Commonwealth Constitution and Sections 5101, et seq., of Title 3 of the Commonwealth Code. E.O. 2012-03 includes a declaration of a State of Emergency for the Commonwealth due to the threatened imminent disruption of critical medical

services resulting from the current financial condition of CHC. The provisions of Executive Order 2012-03 were extended or reinstated through subsequent executive orders E.O. 2012-04 and E.O. 2012-09 (effective August 14, 2012). Accordingly, the Governor retains ultimate control of the procurement and administrative functions of CHC for the duration of the Executive Order. (N.M.I. Const., art. III, § 10; 3 CMC § 2186).

1 CMC § 9104(b) of the Administrative Procedure Act provides that:

If an agency finds that the public interest so requires, or that an imminent peril to the public health, safety, or welfare requires adoption of a regulation upon fewer than 30 days notice, and states in writing its reasons for that finding, it may, with the concurrence of the Governor, proceed without prior notice or hearing or upon any abbreviated notice and hearing that it finds practicable, to adopt an emergency regulation. The regulation may be effective for a period of not longer than 120 days, but the adoption of an identical regulation under subsections (a)(1) and (a)(2) of this section is not precluded.

REASON FOR EMERGENCY ADOPTION: Prior to the creation of the Commonwealth Healthcare Corporation, the Commonwealth Health Center and other government owned healthcare facilities relied upon generous appropriations of public funds to provide services to the public at rates that were below the cost of providing these services. The current schedule of medical fees is not based upon actual current costs and does not reflect the types of procedures now being performed. CHC is required by law to adopt a new schedule of "market oriented fees" to be charged at its facilities (3 CMC 2804(c)). Pursuant to this duty, CHC adopts the attached amendment to its Schedule of Medical and Other Related Fees. (NMIAC § 140-10.8).

CHC is experiencing substantial daily losses due to the discrepancy between the amounts it may charge for medical procedures under the current Schedule of Fees and the actual cost to CHC of providing these services. The governor has declared a State of Health Emergency for the Commonwealth based on the financial distress of CHC and the prospect that major functions of its facilities will be forced to close. (E.O. 2012-03; E.O. 2012-09). CHC must take immediate steps to reverse its negative cash flow to prevent the disruption of essential medical services.

Based on the foregoing, the Chief Executive Officer finds that the public interest as well as an imminent peril to the public health, safety, or welfare requires the immediate issuance and adoption of the attached Emergency Regulations in order to prevent harm to the public finances and to curtail the threat posed to the public health and welfare.

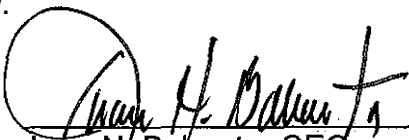

THE TERMS AND SUBSTANCE: The attached Emergency Regulation to Amend Schedule of Medical Fees establishes a new "Chargemaster" schedule of charges for medical treatment procedures and will increase the level of charges for most procedures performed at CHC facilities. The Chargemaster schedule replaces and supersedes the Schedule of Medical and Other Related Fees originally published in its entirety, and adopted, in the Commonwealth Register Volume 17, Number 2, dated February 15, 1995, and Volume 17, Number 4, dated April 15, 1995, respectively, and

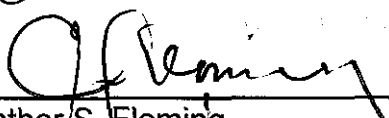

republished as amended at Part 100, Subchapter 140-10.8 of the Northern Mariana Islands Administrative Code (2007).

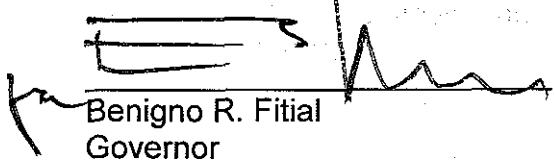

PROPOSED FURTHER NOTICE: The Commonwealth Healthcare Corporation intends further notice within 120 days of its proposal to adopt the amended Schedule of Medical Fees as permanent regulations pursuant to 1 CMC § 9104(a)(1) and(2). CHC will receive public comments regarding the amended schedule of fees following publication of such further notice.

DIRECTIONS FOR FILING AND PUBLICATION: The Commonwealth Healthcare Corporation will take appropriate measures to make these Emergency Regulations known to the recipients of medical services and to all other persons who may be affected by them. (1 CMC § 9105(b)(2)).

The attached Emergency Regulations are approved by the Chief Executive Officer of CHC on the date listed below.

**COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS
HEALTH CARE PROFESSIONS LICENSING BOARD**

In the Matter of Tinian Health Center)
(Amendment of Practice Agreement for)
Remote Supervision)

Case No. 2010-04

**ELEVENTH AMENDMENT TO THE BOARD EMERGENCY ORDER #01
APPROVING PRACTICE AGREEMENT AMENDMENT
FOR REMOTE SUPERVISION**

Summary of Amendments

This amendment to this Order is entered today, August 23, 2012 pursuant to the Board's decision yesterday, August 22, 2012, to extend this Order and the Practice Agreement required by this Order, another 30 days effective August 20, 2012. It also immediately authorizes physician assistant Juan B. Pangelinan and any other CNMI licensed physician assistant ("PA"), during the period this Order is in effect, to work at the Tinian Health Center ("THC"), under the supervision of Commonwealth Health Center's ("CHC") physician, Dr. Gregory Kothierner, and any other CNMI licensed physician who has been granted privileges at CHC ER by the Commonwealth Health Corporation and has been approved by the Board to supervise PAs located at a site other than the same Tinian Health Center. This Order is valid through the end of the day of September 18, 2012.

Discussion

The "Health Care Professions Licensing Act of 2007" ("the Health Care Act" or "the Act"), 3 CMC §§ 2201 - 36, P.L. 15-105, requires that a physician assistant ("PA") be licensed by the Health Care Professions Licensing Board ("the Board") and that his/her conduct conform to certain statutory and regulatory standards and specific dictates.

The pre-existing regulations of the predecessor Medical Professions Licensing Board continue in effect, except as amended by the Board:

- (e) Except as otherwise provided herein, the regulations, guidelines, standards, and procedures related to the regulation of the functions and operation of a regulated health care professional and/or profession that are in force when this Act becomes effective, shall continue to apply until amended or repealed by the Board.

3 CMC §§ 2235(e). The Board has amended its regulations in part. 140 NMIAC 50-3 Commonwealth Health Care Professions Licensing Board Regulations. 30 Com Reg. 03, p28388 - 28426. It has not yet amended its PA regulations so the pre-existing regulations apply.

The Board's authority proceeds from the Act and the Administrative Procedure Act. The Act established the Board with complete jurisdiction, power and authority to regulate the health care professions. 3 CMC § 2204(a). The Board's powers include: -

- ñ To adopt rules and regulations to enforce the Act. 3 CMC § 2206(b);
- To issue, deny and condition licenses. 3 CMC § 2206 (c);
- ñ To conduct disciplinary hearings to suspend or revoke licenses, 3 CMC § 2206 (h);
- ñ To suspend or revoke a license. 3 CMC § 2206(k);
- ñ To act summarily in the face of the likelihood of harm to:
 - i. the public health, safety or welfare; or
 - ii. to the patients of a health care professional who is regulated by this Chapter. 3 CMC § 2206(n).

A PA practicing with a license issued prior to the new Act and its new regulations continues as a licensee until the Board suspends or revokes that license:

For the transition period between the application of the old Medical Practice Act and the new Health Care Professions Licensing Act, specifically until new applicable Regulations are promulgated, each practicing member of each profession over which the Board has jurisdiction shall be deemed practicing with a license until regulations are promulgated for the respective profession and an indicated re-licensing application period has ended, or until the Board acts to suspend, modify, revoke or otherwise affect a license, whichever comes first.

140 NMIAC § 50.3-101-002

At all times a PA shall have in place a "practice agreement" with a supervising physician. 140 NMIAC § 50.1-1220, 1230(d). Such agreement ordinarily provides the scope of a PA's activities and ensures that the physician will be available for consultation, and will review and co-sign patient records. It also provides that the physician co-signs for prescription of medication and other treatments, except that the PA may not prescribe DEA-controlled substances. 140 NMIAC § 50.1-1235.

The Administrative Procedure Act provides for license hearings, when a notice of a hearing is required, and defers to an agency's specific organic act. 1 CMC §§ 9108 - 10. This Order addresses an emergency situation coming under the specific "immediate and grave danger to the public" provision of the HCPLA, 3 CMC § 2206(n).

Facts

Dr. Priyantha Wijayagunaratne, the only physician at THC, has submitted his resignation effective December 1, 2010. However, beginning on Friday, November 12, 2010, Dr. Wijayagunaratne will be on sick leave until December 1, 2010. Accordingly, as of Monday, November 15, 2010, THC is without a physician.

THC requested the Board consider an Emergency Order to exempt THC's Mid-Level Provider, PA Juan B. Pangelinan, PA William R. Weiss and any other CNMI licensed physician assistant ("PA"), during the period this Order is in effect, to provide health care at THC through remote supervision. CHC, through Mr. John Tagabuel and Secretary Joseph K. Villagomez, has agreed to provide physician supervision to the physician assistants at THC. Supervision will be provided by the CHC's Emergency Room physician, Dr. Greg Kotheimer and any other CNMI licensed physician approved by the Board to supervise the physician assistant(s), located at a site other than the same Tinian Health Center.

Board Findings and Conclusions

The Board finds that it would be unfair to the people of Tinian to restrict physician assistants from practicing at THC merely because there is no full-time physician at the Center. This Order provides authority for remote supervision from Saipan. We will not continue the authority provided in this Order indefinitely but we will continue it for a time.

Ruling and Ordering Paragraphs

The Board having been fully advised in the premises of this matter, for the above-stated reasons, hereby Orders that:

1. Physician assistant Juan B. Pangelinan and any other CNMI licensed physician assistant during the period this Order is in effect, may work at the Tinian Health Center ("THC"), under the supervision of a CNMI licensed physician who has been granted privileges to the CHC ER by the Commonwealth Health Corporation and is located at a site other than the same Tinian Health Center.

A physician who is physically present at THC may only supervise a PA if he or she has entered into a valid practice agreement with that PA.

2. Supervision: Dr. Greg Kotheimer, other ER physicians at CHC, and any other CNMI licensed physician included in the valid Practice Agreement, which shall be approved by the Board, as supervising physicians.
3. The last Practice Agreement signed by Dr. Kotheimer and PA Pangelinan is extended for 30 days effective August 20, 2012 until the end of the day of September 18, 2012.
4. The agreement shall include:
 - a. The supervising physician(s) will provide adequate means for direct communication between themselves and the PA. The direct communication may occur through the use of technology, which may include but is not limited to, two-way radio, telephone, fax machine, modem, or other telecommunication device.
 - b. Daily emails shall be exchanged between the PA and the supervising physician for permitted prescriptions.
 - c. The database of patients on chronic or long-term scheduled medications shall be maintained and updated by the PA. The supervising physician to ensure adherence to the standard of care shall review it monthly.
 - d. Chart notes and prescriptions will be sent to the supervising physician for review and signature, as provided below.
 - e. The supervising physician shall closely monitor chronic pain contracts for adherence.
5. The physician assistants are authorized to prescribe:
 - a. Schedule III-V medications as follows:
 1. The PA is authorized to prescribe Schedule III through V medications as needed but shall be limited to prescribing, administering, and/or dispensing no more than 30-day supply. For refills, the supervising physician must co-sign the prescription and clearly write his DEA number on the prescription form. The supervising physician(s) shall review and sign chart notes within 30 days.
 2. All prescriptions for Schedule III-V medications written by the PA must be documented in the patient's chart and must include the name of the drug, dose, and route of administration, frequency, duration, quantity prescribed and name of supervising physician he consulted.
 - b. Schedule II medications as follows:
 1. In extreme emergency cases (myocardial infarction, motor vehicle trauma, certain fractures, pancreatitis, urethral and ureteral stones) Schedule II medications may be administered immediately, followed by a phone call to the supervising physician as soon as the patient is stable. In all other emergencies, Schedule II medications may not be prescribed, administered, or ordered without a verbal order from the ER physician on duty at CHC. The PA must first discuss the case with the ER physician. If the physician makes a verbal order for a Schedule II

medication it must be appropriately documented in the patient's chart (as described in " B above).

2. All such prescriptions and chart notes must be presented to the supervising physician(s) within seven (7) days for co-signature. The PA shall be limited to prescribing no more than a 7-day supply and there will be no refills.
- c. All prescriptions will indicate the quantity of the medication being prescribed both numerically and alphabetically (e.g., "10" and "ten").
6. THC is to provide the Board a monthly report of the following:
 - a. Name(s) and date(s) of physician assistant(s) working at THC;
 - b. Name(s) and date(s) of supervising physicians at CHC ER,
 - c. Name(s) and date(s) of supervising physician(s) not from CHC ER whom the Board has expressly authorized under this Order;
 - d. Name(s) and date(s) of supervising physician reviewing chart notes and prescriptions for signature.
7. This Order is valid through the end of the day of September 18, 2012.
8. The Board shall review this matter at its next board meeting. THC management is invited to appear at that meeting or via conference call and update the Board on its efforts at recruiting a supervising physician.
9. A copy of this Order shall be placed in a public area of the Tinian Health Center. The Executive Director, or her designee, is directed to do the following in person or by electronic means:
 - a. Serve this Order on the physician assistant(s);
 - b. Serve this Order on the director of the Tinian Health Center;
 - c. Serve this Order on the CEO of the HealthCare Corporation;
 - d. Serve this Order on the supervising physicians at CHC's ER;
 - e. Serve this Order on the supervising physician(s) not from CHC ER;
 - f. Have this Order published in the next Commonwealth Register; and
 - g. Place this matter on the Board's agenda for ratification at its next board meeting.

A party seeking to appeal this Order is directed to 1 CMC § 9112 (b), which provides for judicial review of final orders within 30 days in the Commonwealth Superior Court. The Board believes that this is a final Order.

COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS
COMMONWEALTH BOARD OF NURSE EXAMINERS

In the Matter of APRNs in the CNMI)
(Advanced Practice Registered)
Nurse Authorization))

Case No. 2012-01

**EMERGENCY ORDER
RENEWING APPROVAL FOR PRESCRIPTIVE MEDICATION
APPROVED BY DEA SCHEDULE II THRU V**

Summary

This Order, pursuant to the Board's decision at its meeting of August 27, 2012, renews the Order entered Thursday February 2, 2012, pursuant to the Board's decision at its meeting on February 2, 2012. It IMMEDIATELY authorizes the licensees, Advance Practice Registered Nurses ("APRN") working in the CNMI, whether private health agencies or Government, to prescribe medications covered by the Drug Enforcement Agency ("DEA") schedule II thru V. This Order amends the APRNs' licenses. It is valid until such time as the Board's new approved Rules and Regulations are promulgated.

Discussion

The "Nurse Practice Act of 2003" ("the Nursing Act" or "the Act"), 3 CMC §§ 2301, et seq. and 31 P.L. 14-62 (2005), as amended, requires that an Advanced Practice Registered Nurse "APRN" be licensed by the Board of Nurse Examiners ("the Board") and that the conduct conform to certain statutory and regulatory standards and specific dictates. Specifically, an APRN shall practice autonomously as amended in P.L. 16-34. 3 CMC § 2304(a). The general scope of APRN practice is defined in the statute, id. It includes prescribing and dispensing medication within the context of a "written agreement" with a "physician agreement," 3 CMC § 2304(k). The pre-existing licensure of the Board continued in effect under the new Act, except as amended by the Board's rules and regulations, 3 CMC § 2319. The Board has amended its rules and regulations in part, NMIAC 140-60.1 et seq., Commonwealth Board of Nurse Examiners Regulations. It has approved its new APRN regulations. The pre-existing regulations do not mention APRNs.

The Board's authority proceeds from the Act, and from the Administrative Procedure Act, 3 CMC § 2309 et seq. The Act established the Board with complete jurisdiction, power, and authority to regulate the nursing profession, 3 CMC § 2306. The Board's powers include:

- (1) To adopt rules and regulations to enforce the Act, 3 CMC § 2306(a)—(c);
- (2) To issue, deny, and condition licenses, 3 CMC § 2306(c);
- (3) To develop and enforce standards, 3 CMC sec 2306(e);
- (4) To conduct disciplinary hearings to suspend or revoke licenses, 3 CMC § 2314;
- (5) To discipline an APRN who has practiced beyond the scope of the APRN category, 3 CMC § 2314(c);
- (6) To act on an emergency or temporary basis, 3 CMC § 2315

An APRN requires a "written agreement" with a physician for the purposes of prescribing medicine:

(k) "Prescriptive/Dispensing Authority" means an Advance Practice Registered Nurse authorized to prescribe and dispense drugs and therapeutic measures described within scope of practice, defined by the board, and described in the Written Agreement entered into with the physician. The authorization to prescribe and dispense drugs and therapeutic measures is for administration to and use by other persons (patients or clients) within the scope of practice of the Advanced Practice Registered Nurse.

3 CMC § 2304(k). Such agreement should provide for the relationship between the physician and the APRN. The Administrative Procedure Act provides for licensee hearings, when a notice of a hearing is required, and defers to an

agency's specific organic act. 1 CMC §§ 9108-10.2 The APA contemplates that an agency will act through its orders, rules and regulations.

Facts and allegations

The Board met on February 2, 2012. Emergent topics were discussed due to Barriers to health care in the CNMI, which includes an acute shortage of Physicians in the CNMI, and other related quick turn over physicians in the last 15 years. Also to note that 41 states already allow APRN's the authority to prescribe Schedule II to V prescriptions.

The Board is aware there is an acute shortage of physicians and APRNs in the CNMI are currently lacking solo prescription authority. APRNs depend on the physician agreement to prescribe such medications for patient care. Arguably, if there were no physicians on the outer islands of Tinian and Rota, APRNs there could not treat patients with DEA scheduled medications. This situation presents the prospect of grave harm to the public health, safety, and welfare to the patients on Tinian and Rota.

The Board has drafted and is in the process of adopting regulations. The regulations, as approved by the Board and as they will be proposed, recognize the last decade's changes in the nursing profession, particularly the growth and complexity of the field of Advance Practice Registered Nursing. The Board's intention is to promulgate APRN regulations that would empower APRNs for that matter to work autonomously, and prescribe DEA-scheduled substances class II through V. The regulations will identify the scope of APRN practice by the certification and training for each professional's recognized specialty.

Board Findings and Conclusions

The Board finds as follows:

1. The people of Tinian are in dire need of medical care at the Tinian Health Center. The situation presents the likelihood of grave harm to the public health, safety and welfare of Tinian and to the patients of the Tinian Health Center;
2. But there may not be a physician on-island to provide that care on an uninterrupted basis for periods of days or weeks in the immediate future;
3. The Board does not, and cannot, hire or order a physician to provide medical care to Tinian and Rota;
4. The Board believes that it is appropriate and necessary to provide all APRNs with prescription authority for controlled substances scheduled II-V at this time.

The Board has concluded that it will issue an order allowing APRNs in the CNMI to prescribe medications covered by DEA schedule II thru V.

Ruling and Order

The Board, having been fully advised in the premises of this matter, for the above-stated reasons, hereby ORDERS that:

1. APRNs are hereby authorized to prescribe and order medications and treatments for their patients.
2. In particular, APRNs may prescribe, procure, and/or authorize the use of controlled substances schedule II through V drugs, therapeutic devices, and other measures, and dispense drugs consistent with their scope of specialty and practice.
3. Standing orders, protocols, or written prescriptions may also be given for over-the-counter medications as clinically necessary.
4. Such medication includes DEA Schedule II through V substances, for which they must comply with all pertinent local and federal statutes, rules and regulations regarding the prescription and ordering of controlled substances.

As the jurisdiction authority of Advanced Practice Registered Nurses, we hereby grant the authority to APRNs to prescribe, dispense. The Board's Order is not, and shall not be interpreted to be, a substitute for DEA registration.

The Board emphasizes that because it is providing this authority without having promulgated applicable detailed rules and regulations, all APRNs are to be especially diligent in following federal and CNMI statutes, rules, regulations, and professional procedures in prescribing and ordering controlled substances. The Board may summarily deny, suspend or revoke the authority to write prescriptions and/or dispense drugs for the following conduct:

- a. Prescribing, dispensing, or distributing drugs not listed in the appropriate formulary;
- b. Prescribing, dispensing, administering, or distributing drugs for other than therapeutic or prophylactic purposes;
- c. Prescribing, dispensing, or distributing drugs to an individual who is not the APRN's patient or is not within the scope of practice or type of client population served;
- d. Prescribing, dispensing, or distributing drugs for personal use;
- e. Prescribing, dispensing, administering, or distributing drugs while functionally impaired;
- f. Prescribing, dispensing, administering, or distributing drugs in an unsafe or unlawful manner, or without adequate instructions to the patient according to acceptable and prevailing standards or practice;
- g. Failing to properly assess and document client assessment when prescribing, dispensing, administering, or distributing drugs;
- h. Selling, purchasing, trading, or offering to sell, purchase or trade any drug sample;
- i. Dispensing medications without dispensing authority granted by the Board or other dispensing authority; and/or
- j. Charging a patient or any third party payer in a grossly negligent manner for the service

The constantly changing situation with respect to a physician for Tinian and the realities of the Board's meeting schedule, warrant the Board's authorizing this matter until approved rules and regulations are promulgated;

Nothing in this Order shall be construed to prohibit the rendering of assistance in an emergency or disaster. See 23 CMC § 2317(b).

This Order amends the license

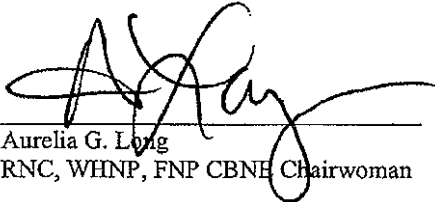

A copy of this Order shall be placed in a public area of the Tinian Health Center, Rota Health Center, and all other private agencies and Government agencies in the CNMI;

The Administrator is directed to do the following in person or by electronic means:

- a. Serve this Order to all APRNs in the CNMI;
- b. Serve this order to DEA registrar;
- c. Serve this Order on the director of the Tinian Health Center (tel: 433-9233; fax 433-1701);
- d. Serve this order to the director of the Rota Health Center;
- e. Have the Order published in the next Commonwealth Register.

Lieutenant Governor

EXECUTIVE ORDER No. 2012- 09

DECLARATION OF HEALTH EMERGENCY

WHEREAS, the Commonwealth Healthcare Corporation ("CHC") provides the bulk of necessary healthcare in the Commonwealth, as well as providing all emergency medical services; and

WHEREAS, the disruption of the provision of medical services by the CHC poses a direct threat to the health and safety of the people of the Northern Mariana Islands; and

WHEREAS, the CHC is currently in arrears to payments to vendors providing vital services and equipment and is in arrears in regards to salary payments to necessary employees; and

WHEREAS, CHC, due to financial constraints, will have to shut down major functions of the Hospital, thus presenting an imminent threat to the public's health and welfare; and

WHEREAS, Article III §10 of the Constitution of the Commonwealth and section 5101 *et seq.* of Title Three of the Commonwealth Code provide that the Governor has the authority and duty to take the necessary steps to respond to impending disasters;

NOW THEREFORE, A State of Emergency for the Commonwealth of the Northern Mariana Islands is declared due to the imminent threat of the disruption of critical medical services in the Commonwealth and the danger that such a condition poses to the public because of the great increase in otherwise preventable deaths that would result.

In order to meet this imminent threat, the Constitutional authority provided under Article III §10 is invoked, including, but not limited to, the authority to:

1. Suspend all statutory or regulatory provisions as required; and
2. The reprogramming of funds necessary to meet this emergency.

To ensure that the suspension of regulatory provisions does not lead to financial abuse, this emergency declaration incorporates the March 19, 2012 Memorandum of Understanding (MOU) between CHC and the Department of Finance, Office Management and Budget, and Office of the Attorney General. In addition, any financial reports submitted by the CHC pursuant to the MOU must be submitted with a certification of the person submitting them stating that the reports are a full and accurate under penalty of perjury.

Done this 14TH day of August, 2012.

COMMONWEALTH OF THE NORTHERN MARIANA ISLANDS

Governor

Eloy S. Inos
Lieutenant Governor

EXECUTIVE ORDER NO. 2012- 10

SUBJECT: DECLARATION OF A STATE OF DISASTER EMERGENCY: COMMONWEALTH UTILITIES CORPORATION'S IMMMENT FAILURE AND THE NEED TO PROVIDE IMMEDIATE RELIABLE POWER, WATER, AND WASTEWATER SERVICES.

AUTHORITY: I, ELOY S. INOS, pursuant to the authority vested in me as Acting Governor of the Commonwealth of the Northern Mariana Islands by Article III, § 10 of the Commonwealth Constitution and 3 CMC § 5121 of the Commonwealth Disaster Relief Act of 1979, do hereby declare a State of Disaster Emergency for the Commonwealth of the Northern Mariana Islands due to the imminent threat of the inability of the Commonwealth Utilities Corporation ("CUC") to provide critical power generation, water, and wastewater services to the CNMI and considering the harm such condition would pose to the Commonwealth of the Northern Mariana Islands.

Exercise of the Constitutional and statutory authority invoked herein will be effectuated by the issuance of Executive Directives setting forth the measures to be taken to address the State of Disaster Emergency pursuant to 3 CMC § 5121(f) (1-3), which states:

(f) In addition to any other powers conferred upon the Governor by law, the Governor may, dunnig a state of disaster emergency:

- (1) Suspend the provisions of any regulatory statute prescribing the procedures for the conduct of the Commonwealth's business, or the orders, rules, or regulations of any Commonwealth activity or agency, if **strict** compliance with the provision of any such statute, order, rule or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency;
- (2) Utilize **all** available resources of the Commonwealth as reasonably necessary to cope with the disaster emergency of the Commonwealth;
- (3) Transfer the direction, **personnel**, or functions of the Commonwealth departments and agencies or units thereof for the purpose of performing or facilitating emergency services.

WHEREAS, ON MAY 18, 2012, THROUGH EXECUTIVE ORDER 2012-05, I issued a Declaration of a State of Disaster Emergency regarding the Commonwealth Utilities Corporation's imminent failure and the need to provide immediate reliable power, water, and wastewater services.

WHEREAS, I FIND THAT CUC IS FACING a continuing cash shortage which threatens to halt power, water, and wastewater services to the CNMI because of the lack of funds available for CUC to buy diesel fuel and lube oil for its operation. In addition, I find that in order to give relief to customers, renewable energy projects must be implemented. I also find that in order to continue operations. CUC must be able to retain specialized technical employees who are not U.S. citizens and its executive power must be empowered to act in place of the Board until it can be constituted.

WHEREAS, CUC IS THE SOLE ELECTRICITY SUPPLIER to the Government of the CNMI, including all public safety activities, the schools, and the only hospital. CUC also supplies electricity to most of the CNMI's businesses and homes. While some businesses and agencies own backup generators, they are not generally organized to use the backups as permanent power sources and the diesel oil purchased to run these generators is substantially more expensive than that used for CUC power.

WHEREAS, WITHOUT CUC ELECTRICITY:

- (1) Most CNMI economic activity would come to a halt, much refrigeration and air conditioning would end, and the airports and ports would be forced to rely on emergency generation on the limited, expensive oil supply for it;
- (2) The CNMI's health and safety **would** immediately be at risk because traffic signals and street lighting would cease to function; emergency, fire, **police** facilities and their communications systems, and **the** hospital and island clinics would have to rely on limited oil supplies for emergency generation and then cease functioning; and much refrigeration of food and medicines would end, as would air conditioning for the elderly and sick;
- (3) The public schools and the Northern Marianas College would close. Other educational institutions would close as their backup oil supplies for emergency generators were exhausted; and
- (4) Water and sewage treatment would soon end. One of CUC's largest electric customers is the combined CUC Water and Wastewater Divisions. CUC is the sole supplier of electricity for these systems. CUC's water system relies on electricity to maintain the system pressure needed to prevent the **backflow** of pathogens, to chlorinate, and to pump, store, and distribute water supplies. CUC's wastewater system requires electricity to collect, pump, process, treat, and discharge sewage. The lack of electricity could result in sewage overflows, contaminating land and water and rendering unsafe the CNMI's beaches, which are also principal tourist destinations.

WHEREAS, THERE EXISTS A CASH CRISIS:

- (1) CUC is owed over \$8 million by the public school system ("PSS") and the Commonwealth Healthcare Corporation ("CHC"). CUC is owed over \$4 million by residential users and is facing \$2.6 million in accounts payable to vendors who have, in good faith, provided materials and other services;
- (2) There is conflict and potential conflict between CUC and government agencies over money owed and other issues. Such conflict drains resources especially if it results in the parties going to court. Interagency cooperation and oversight is vital to ensure that government agencies can continue its operations without draining CUC's remaining resources.
- (3) The people of the Commonwealth and its government **are** going through severe economically distressed times. In the past fiscal year alone, the budget of the government fell from \$120 million to a little over \$100 million. This has put a severe strain on the government to meet its obligation.
- (4) CUC often only has days' worth of purchased diesel fuel to power its system because it lacks the funds to buy oil from its sole, cash-only supplier. CUC has no credit or other means to buy fuel than the revenue it collects from its customers;
- (5) A unified government approach is necessary to reconcile and resolve the fiscal crises of the government with the fiscal crises of CUC. This can only be achieved through an emergency declaration.

WHEREAS, THERE EXISTS A RENEWABLE ENERGY CRISIS:

- (1) CUC has gone through the RFP process for several renewable energy projects which would bring some relief to high utility rates. which are based on record-high oil prices;
- (2) These contracts must be brought to completion as soon as possible or the customers of CUC will continue to suffer from high oil prices.

WHEREAS, THERE EXISTS A TECHNICAL WORKER CRISIS:

- (1) CUC faces a manpower crisis. Skilled workers and a responsive support system are key to the success of the operation, particularly for preventative maintenance. At present, CNMI law at 3 CMC §§ 4531 and 4532 prohibits CUC from hiring any more non-U.S. technical workers;
- (2) CUC bears a substantial obligation to deliver highly technical work on lime to the satisfaction of the U.S. District Court and the U.S. Environmental Protection Agency ("EPA"), pursuant to two sets of consent, or "Stipulated Orders." Failure to meet the requirements of the federal court orders could

subject CUC and the CNMI to substantial fines and charges and, in the extreme, to a federal takeover of their finances;

- (3) CUC requires employees with specialized training. There are many non-U.S. citizens whom CUC needs to retain on technical and professional contracts. Without these positions filled, CUC operations would be severely compromised;
- (4) Adequate technical staff is essential to CUC's rehabilitation work. A major challenge to **carrying** out this rehabilitation has been finding the trained technicians needed to carry out these rehabilitation projects and to maintain and run the equipment. The technicians must be ready for service when needed and their services must be affordable. Any significant reduction in CUC's present technical workforce could seriously compromise CUC's ability to generate and distribute power;
- (5) The legislature, through P.L. 17-1 (Mar. 22, 2010), has limited CUC's ability to hire technical staff, **eliminating** prior statutory permission to hire up to nineteen foreign workers and reinstating a moratorium on the **government's** hiring of foreign nationals, even if needed for highly technical positions for which no local or mainland citizens are available. The CUC Act, as subsequently reenacted by P.L. 16-17 (Oct. 1, 2008), provides that CUC shall hire such persons as are necessary for operations, except as otherwise limited by other law. 4 CMC § 8123(h);
- (6) There are not enough U.S. citizen or U.S. resident technical specialists at CUC to perform the power generation work, particularly specialists with experience in the type of engines that CUC uses. U.S. citizens with the necessary skills are not readily available in the CNMI and it is costly to recruit from the United States. CUC believes that the vast majority of skill sets, considering its cash restrictions, must come from non-U.S. personnel. CUC has tried to hire diesel mechanics in the CNMI, but has been **unsuccessful** in finding enough qualified candidates;
- (7) CUC has made on-going attempts to train its own current employees to move up to more advanced technical positions by gaining, through classes and training, the certifications that are needed for taking the required tests. However, there are other positions which require certification that it has been unable to fill from within;
- (8) The bottom line on CUC's technical work has been a substantial increase in reliability, specifically the availability of CUC's generation. CUC's transmission and distribution have similarly improved—January 2010 saw 10 hours and 44 minutes of outages; April 2010 saw one minute. **It** was critical to this latter improvement that CUC had the skilled, trained work force to maintain power lines;
- (9) The impact of an inadequate workforce would be five-fold:

- a. First, there would be a direct deterioration of service to existing customers. There would be brownouts or area blackouts with the above-mentioned loss of service.
 - b. Second, the power plants would again degrade, producing more of these outages.
 - c. Third, there would be an indirect effect, increasing rates over the longer term, because small consumers would have to shoulder more of the fixed costs of the CUC system. First, there would be loss of large customers. By contrast, if the hotels were to become part of the system, they could help pay CUC fixed costs, which would lower everyone else's rates. Hotels, businesses, and our residents need reliable, 24/7 power. With unreliable power, CUC would be unable to convince large commercial customers, particularly hotels, to join or rejoin its system. Second, if CUC fails to meet federal court deadlines for the Stipulated Orders, the Court could appoint a federal receiver and its consulting team, with all expenses charged to CUC customers.
 - d. Fourth, the loss of CUC's technical experts would shut down or, at least, cripple the company's increasingly successful efforts to cut losses, particularly theft of service.
 - e. Fifth, with the recovery of the world economy, oil prices can be expected to rise. If CUC's generators become less efficient because technical staff are unavailable to maintain CUC's engines' efficiency, that much more oil would be needed to generate a given amount of electricity. The price rise will thereby harm CUC's customers and electricity-dependentservices with higher rates.
- (10) CUC has **demonstrated** that the required workers are available locally as nonresident workers, and cost-effectively so. CUC's renewal of contracts for approximately two dozen essential foreign expert workers was necessary to sustain the integrity of CUC's systems. Thus, continued relief from the legislative prohibition on hiring foreign national workers is necessary to ensure the delivery of uninterrupted power services to the people of the Commonwealth.

WHEREAS, A BOARD OF DIRECTORS DOES NOT EXIST:

- (1) There is no Board of Directors. CUC has **functioned** without a Board because it has had to. While CUC's **enabling** act, reenacted as P.L. 16-17, as amended, authorizes a Board, there is no CUC Board yet because, while the staff of the Governor's Office have diligently tried to find Board volunteers who meet the complex statutory qualifications, they have been unable to do so. Nonetheless, CUC must continue to function.

- (2) Without a Board in place, I still must provide for the continued operations of CUC. The Director needs to be able to negotiate with federal and other agencies.

WHEREAS, BY THIS RENEWAL OF THE DISASTER EMERGENCY DECLARATION, I intend to enable CUC to continue to provide necessary services to the people of the Commonwealth. This Declaration is necessary to protect the health and safety of our children, our senior citizens, businesses, and all other CNMI residents and visitors.

NOW, THEREFORE, I hereby invoke my authority under Article III, § 10 of the Commonwealth Constitution and 3 CMC § 5121(f) to take all necessary measures to address the imminent threat facing the Commonwealth of the Northern Mariana Islands including, but not limited to, the authority to:

1. Suspend all statutory or regulatory provisions as required; and
2. The reprogramming of funds necessary to meet this emergency.

It is hereby **ORDERED** that:

This Declaration of a State of Disaster shall take effect immediately and all memoranda, directives, and other measures taken in accordance with this Declaration shall remain in effect for thirty (30) days from the date of this Executive Order unless I, prior to the end of the thirty (30)-day period, notify the presiding officers of the Legislature that the state of emergency has been lifted or has been extended for an additional period of thirty (30) days. 1 CMC § 7403(a); 3 CMC §5121(c).

Under authority of this Declaration and with the goal of mitigating or ameliorating the above described crises, I immediately direct the following:

DIRECTIVE 1: I hereby assume all of the executive power of the CUC which shall include any and all powers vested in the board of Directors and the Executive Director. This executive authority shall be exercised either by me or by my designated Executive Director.

DIRECTIVE 2: All provisions in Title 4 of the Commonwealth Code and P.L. 17-34 that concern PUC regulation of CUC and its actions, and potentially, any oversight of renewable energy contracts are suspended under this Order.

DIRECTIVE 3: Section 4531 of Title 3 of the Commonwealth Code is hereby suspended as to CUC as follows:

The following strike-out formatted language of the quoted provisions of the following statute regulating government employment is, as indicated, suspended immediately:

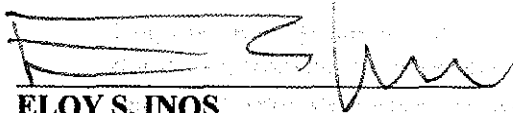

3 CMC §4531. Restrictions on Government Employment

~~Employment by departments, agencies, and all other instrumentalities of the Commonwealth government is limited to citizens and permanent residents; provided that the government may enter into contracts with foreign nationals for services performed outside of the Commonwealth.~~

As a result of my suspension of 3 CMC § 4531, CUC shall have the full power and authority to retain staff which may include employees other than citizens and permanent residents of the United States.

The above described Directives are in no way meant as the limits of my actions or authority under this Emergency Declaration. Accordingly, I reserve the right under this Emergency Declaration to issue any and all directives necessary to prevent, mitigate or ameliorate the adverse effects of the emergency.

SIGNED AND PROMULGATED on this 16th day of August 2012.

**NOTICE OF PROPOSED AMENDMENTS TO THE
HEALTH CARE PROFESSIONS LICENSING BOARD
REGULATIONS FOR SCHEDULE OF FEES**

INTENDED ACTION TO ADOPT THESE PROPOSED REGULATIONS: The Health Care Professions Licensing Board (HCPLB) intends to adopt as permanent regulations the attached Proposed Regulations, pursuant to the procedures of the Administrative Procedure Act, 1 CMC § 9104(a). Pursuant to 1 CMC 59105(b), the regulations would become effective 10 days compliance with 1 CMC §§ 9102 and 9104(a), which includes an affirmation action by the Board to adopt these regulations.

AUTHORITY: The Health Care Professions Licensing Board has statutory power to promulgate and effect regulations pursuant to P.L. 15-105, Section 3, § 2206 (b), as amended.

THE TERMS AND SUBSTANCE: Regulation History: PL 15-105 (effective when approved by Governor Benigno R. Fitial, November 7, 2007), the "Health Care Professions Act of 2007," 3 CMC §§ 2201-36. The Act created a Health Care Professions Licensing Board, as an independent regulatory agency, without placing it in a Department. The Board is authorized to license health care professionals in the Commonwealth, establish standards for educational programs, administer exams, require payment of fees, charges and expenses, and to discipline licensees for violations of the act. See PL 15-105. 3 CMC § 2206(b), which empowers the Board to adopt rules and regulations consistent with the Act and necessary to carry out the Act's provisions, including define and describe the regulated professions and their practice.

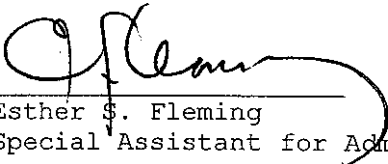

THE SUBJECTS AND ISSUES INVOLVED: These regulations for the Schedule of Fees shall supersede the prior regulations published at Volume 29, Number 09 (7/23/99) and adopted.

DIRECTIONS FOR FILING AND PUBLICATION: The Board is soliciting comments regarding these proposed amendments which must be received by the Board within thirty (30) days of first publication of this notice in the Commonwealth Register. Interested persons may request copies of the proposed amendments by contacting us at 664-4809 or by email at bpl@pticom.com or come by our office located at Bldg. 1242, Pohnpei Ct., Capitol Hill, Saipan. Written comments on these amendments should be drop off at our office or sent to the BPL, P.O. Box 502078, Saipan, MP 96950.

NOTICE OF PROPOSED AMENDMENTS TO THE SCHOLARSHIP ADVISORY BOARD REGULATIONS FOR THE HONORS SCHOLARSHIP PROGRAM

INTENDED ACTION TO ADOPT PROPOSED REGULATIONS: The Commonwealth of the Northern Mariana Islands, through the Scholarship Advisory Board (SAB), intends to adopt as permanent regulations the attached Proposed Regulations pursuant to the procedures of the Administrative Procedure Act 1 CMC § 9104(a), as decided at the Board's regular meeting of June 22, 2012.

AUTHORITY: Pursuant to Executive Order 94-3 § 211 (b), incorporated by reference in 1 CMC § 2051, the SAB is authorized to "recommend objective standards for the award of scholarships."

THE TERMS AND SUBSTANCE: The attached Regulations establish the rules and regulations governing the Honors Scholarship Program, established by P.L. 14-37, the CNMI Honor Scholarship Act of 2004.

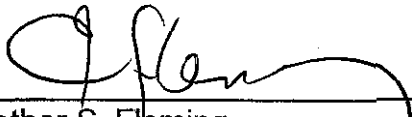

THE SUBJECTS AND ISSUES INVOLVED: The attached Regulations establish the rules and regulations governing the Honors Scholarship Program. Because the Board finds that awards for room and board often exceed actual need, these rules and regulations have been amended to include the following provision:

The award will pay for costs directly related to the student's educational needs, including but not limited to tuition, textbooks, school supplies, and housing allowance, provided that the amount allocated for room and board shall not exceed \$5,000.00 or 50% of the institution's estimated room and board expense, whichever is less.

Additionally, the regulations update the Office's contact information for required correspondence.

DIRECTIONS FOR FILING AND PUBLICATION: The Board is soliciting comments regarding these proposed amendments which must be received by the Board within thirty (30) days of first publication of this notice in the Commonwealth Register. Interested persons may request copies of the proposed amendments by telephone, facsimile, by email at jackie.che@gov.mp, or at the Scholarship Office on Capitol Hill.

RULES AND REGULATIONS GOVERNING THE HONOR SCHOLARSHIP PROGRAM.

PURPOSE

These regulations implement the provisions of the CNMI Honor Scholarship Act, 3 CMC § 1342. They repeal and replace the Honor Scholarship Program For Post Secondary Education Rules and Regulations, NMIAC § 75-20.2. They are promulgated pursuant to, and in accordance, with the Supreme Court Order in *Calvo v. Northern Mariana Islands Scholarship Advisory Board, 2009 MP 2*.

1. DEFINITIONS FOR IMPLEMENTING PUBLIC LAW 14-37.

- 1.1. CUMULATIVE GRADE POINT AVERAGE: The Grade Point Average for all terms combined. The recipient must have a 3.00 cumulative GPA on a 4.00 scale at the end of each school year.
- 1.2. FULLTIME STATUS: Twelve (12) credits per enrollment period. Courses that are repeated will not be counted as fulfillment of a student's full-time enrollment status.
- 1.3. PROBATION: A condition placed on a student who failed to comply with the statutory requirement or in any of the Rules and Regulation promulgated by the Scholarship Advisory Board.
- 1.4. TERMINATION: Discontinued from the program.
- 1.5. SAT: Scholastic Achievement Test
- 1.6. ACT: American College Testing

2. APPLICATION

- 2.1. All Applications and required documents must be received by the CNMI Scholarship Advisory Board, Office of the Governor, on or before June 30th of the year for which the scholarship is to be commenced.

NOTE: If the Deadline falls on a weekend or a holiday, deadline will be on the next working day.

- 2.2. The required documents include, but are not limited to: a) an official high school transcript, inclusive of the last quarter's 12th grade; b) a letter of acceptance from an accredited college or university; c) proof of compliance with statutory requirements, as demonstrated by, but not limited to d) Scholastic Achievement Test (SAT) and/or American College Testing (ACT), two letters of recommendation, a description of extra curricular activities, and proof of citizenship and residency such as a U.S. passport, parents' CNMI tax forms, CNMI voter registration, or other similar documents deemed acceptable or appropriate to the Scholarship Advisory Board.
- 2.3. At the beginning of each academic year on-going recipients must submit all the required documents to maintain their scholarship.

3. SELECTION CRITERIA

- 3.1. The Scholarship Advisory Board shall meet after July 15th for the purpose of selecting the scholarship recipients.
- 3.2. The Scholarship Advisory Board shall review and evaluate the applications of applicants using the criteria established by law and those imposed by the NMI Supreme Court.
 - 3.2.1. Applicants must be a U.S. citizen or a U.S. National.
 - 3.2.2. Applicants must be newly high school graduates who have attained a combination of highest cumulative grade point average and highest SAT **and/or** ACT score. In addition, applicants' extra-curricular activities, difficulty of courses taken **and** at least two letters of recommendation will be used in the selection process.

Process of Ranking Scholarship:

1. 80% of the rank will be determined by the applicants' cumulative grade point average and difficulty of courses. The Scholarship Advisory Board ("SAB") has determined that the public/private education system in the NMI is valid in that all high schools in the NMI are accredited. Moreover, all high schools in the NMI allow their students to take Advanced Placement (AP) or honor courses. These courses allow students who wish to take more difficult courses to be rewarded via a higher Cumulative Grade Point Average. This is so because all schools in the NMI give students who take AP or honors courses grades on a five point scale instead of the traditional 4 point scale. The SAB rejects the process of norming GPA's because this would fail to distinguish students who took AP or honors courses and those students who did not. The board has studied the problem and believes this is the best way to incorporate the difficulty of a student's coursework. Students will be ranked according to their cumulative grade point average from highest to lowest with the highest-ranking student receiving a "one."
2. 14% of the rank will be determined by the single highest total SAT or ACT score that the applicant received on a given testing day. Scores may not be combined. ACT scores will be converted to an equivalent SAT score/ Students will be ranked according to their highest total SAT (or converted ACT) score from highest to lowest with the highest-ranking student receiving a "one."
3. 3% of the rank shall be determined by the student's extra-curricular activities. Prior to the SAB meeting, the student's extra-curricular activities will be separated from any identification markers. The individual Board members will then judge the extra-curricular activities on a scale of "one," "two," or "three." Outstanding extra-curricular activities shall receive a "one," average activities shall receive a "two" and subaverage activities shall receive a "three." Each Board member voting shall make their own decision based on years of service and the nature thereof. Compensated extra-curricular activities shall not be considered. Upon each member awarding the total activities a "one," "two," or "three," the high and low score shall be discarded and the average of all scores shall be determined. All averages shall be rounded to the nearest whole number.

Thus, a 2.3 is a 2 and a 1.9 is a 2. [extra-curricular activities must be certified by the coordinate of the event]

4. 3% of the rank shall be determined by the student's letters of recommendation. Prior to the SAB meeting, the student's letters of recommendation will be separated from any identification markers. The individual Board members will then judge the letters of recommendation on a scale of "one," "two," or "three." Outstanding recommendations shall receive a "one," average recommendations shall receive a "two" and subaverage recommendations shall receive a "three." Each Board member voting shall make their own decision based on the nature of the letter. The Author of the letter shall not be considered. Upon each member awarding the letters a "one," "two," or "three," the high and low score shall be discarded and the average of all scores shall be determined. All averages shall be rounded to the nearest whole number. Thus, a 2.3 is a 2 and a 1.9 is a 2.
5. Once applicants have a rank for their grade point average, SAT/ACT score, extra-curricular activities, and letters of recommendation, the rankings will be multiplied by the appropriate percentage and totaled. The applicants with the ranking closest to one will receive the awards in order until all the available scholarships under the program are provided.
6. The following example shows how the ranking process works.

Student	CGPA (rank)	80% GPA Score	SAT/ ACT (rank)	14% SAT/ ACT Score	Extra Curric.	3% Extra Curric. Score	LOR (rank)	3% LOR Score	Total	Place
A	4.25 (1)	.8	1275 (6)	.84	2	.06	3	.09	1.79	1
F	4.15 (2)	1.6	1400 (3)	.42	2	.06	2	.06	2.14	2
E	4.1 (3)	2.4	1000 (8)	1.12	3	.09	2	.06	3.67	4
G	4.06 (4)	3.2	1600 (1)	.14	2	.06	1	.03	3.43	3
I	4.01 (5)	4	1500 (2)	.28	2	.06	2	.06	4.4	5
C	4 (6)	4.8	1325 (4)	.56	1	.03	2	.06	5.48	6
B	4 (6)	4.8	1300 (5)	.70	2	.06	2	.06	5.62	7
H	3.99 (7)	5.6	1325 (4)	.56	2	.06	2	.06	6.28	8
D	3.75 (8)	6.4	1250 (7)	.98	2	.06	1	.03	7.47	9

Under this example, if eight scholarships were available, the individuals ranked first through eighth will receive awards. In other words, only applicant D would not receive an award.

7. For the purpose of a tiebreaker, the SAB shall use the highest Cumulative Grade Point Average. Thus, for the students who are tied, the one(s) with the highest CGPA wins the award(s).

3.2.3. Applicants graduating within the CNMI must have attended school within the CNMI for a minimum total of six (6) years. Within the six (6) years requirement, applicants must have attended the CNMI - two (2) years immediately preceding the date of the award.

3.2.4. In addition to the 3.2.1 and 3.2.2 requirement, applicants graduating from a high school within the United States of America or its territories as one of the top students, scholastically are eligible to apply, provided that the applicant has attained the highest scholastic achievement with a 4.0 or higher cumulative grade point average and whose parent(s) are bonafide CNMI resident(s) at the time of application and have been so for a minimum period of eight (8) years prior to the date of application.

4 SCHOLARSHIP AWARD

4.1 Either the actual cost of the scholarship benefits as established by P.L. 14-37 or the amount of Fifteen Thousand dollars (\$15,000.00) which ever is less, will be awarded to each recipient for each academic year. Awards will be decreased by any amount the recipient receives from other grants or scholarships.

4.2 **The award will pay for costs directly related to the student's educational needs, including but not limited to tuition, textbooks, school supplies, and housing allowance, provided that the amount allocated for room and board shall not exceed \$5,000.00 or 50% of the institution's estimated room and board expense, whichever is less.**

4.3 The award per term will be prorated.

4.4 If a recipient either dropped out of school or is terminated by the school, all scholarship privileges will be terminated immediately and the recipient will be required to remit the whole amount of moneys provided through this scholarship fund to the CNMI government.

4.5 Scholarship may not be used to cover for expenses not included in the Institutions Definition for Cost of Attendance.

4.6 If an applicant declines an award or receives scholarship funds from other sources that equal the full amount of applicants' cost of attendance, the applicant will not be provided an award under this program. The applicant's award will instead be provided to the next eligible applicant by rank.

5 SCHOLARSHIP MAINTENANCE AND CONDITIONS

5.1 The recipient graduating from high-school selected for the scholarship may continue to receive scholarship but no more than five (5) academic years, as long as he/she maintains the required cumulative GPA of 3.00 on a 4.00 scale at the end of each school year.

- 5.2 The recipient must submit a certified copy of the Institutions' Cost of Attendance each academic year. If the recipient fails to submit the Institutions' Cost of Attendance all scholarship privileges will be deferred until the Scholarship Advisory Board receives such document.
- 5.3 The recipient must enroll and maintain a full-time status each enrollment period.
- 5.4 At the end of each enrollment period, the recipient must provide the Scholarship Advisory Board with a copy of his/her grade report for the enrollment period ending. At the end of each academic year, the student must provide the Scholarship Advisory Board with an official sealed transcript. If the recipient fails to submit the official transcript or the grade report, all scholarship privileges will be deferred until the Scholarship Advisory Board receives such document(s).
- 5.5 The recipient must sign and have notarized a Memorandum of Agreement approved by the Scholarship Advisory Board for each academic year in order to receive scholarship benefits. This Memorandum of Agreement shall set forth the terms and conditions pursuant to which scholarship benefits will be granted to the recipient. Each Agreement must be notarized and returned to the Scholarship Advisory Board before the recipient will receive any scholarship benefits.
- 5.6 A recipient who is enrolled in a two-year institution must have prior approval from the Scholarship Advisory Board prior to enrolling in any two-year institution for a third (3rd) academic year.
- 5.7 All scholarship recipients must declare their field of study before the beginning of their second year in college. The Scholarship Advisory Board will hold awards until this information is received in writing, via fax, or email or via an appropriate mail service to the following address:

Scholarship Advisory Board
Office of the Governor
Caller Box 10007
Saipan, MP 96950

Facsimile: 670-664-4759

Email Address: cnmisab@cnmischolarship.com

- 5.8 All scholarship recipients must advise the Scholarship Advisory Board of both their school and CNMI address each time there is a change.
- 5.9 A recipient is not eligible for same or lower level of education.

6 PROBATION AND TERMINATION

- 6.1 The recipient must maintain a fulltime status and have a GPA of 3.00 on a 4.0 scale cumulatively at the end of each academic year. If the recipient fails to maintain a required GPA, or if the number of credit hours drops below that of full-time status at the end of an enrollment period or the student fails to comply with the statutory requirements or the terms of the Memorandum of Agreement, the student will be placed on probation for the following academic year.
- 6.2 Scholarship benefits will be awarded during the probation period. However, the student must makeup the credits lacking while also maintaining a full-time (12 credits) status.

By the end of the probationary enrollment period the student must be able to meet the minimum GPA requirement and be in compliance with the statutory requirements and the terms of the students' Memorandum of Agreement.

- 6.3 If the student does not meet the required GPA requirements or does not complete the credits lacking in addition to maintaining full-time status or is not in compliance with the statutory requirements or the terms of the Memorandum of Agreement during the probationary enrollment period, the scholarship benefits will terminate immediately, and the recipient will not be allowed any future participation in the program.

7. TRANSFER OR CHANGE OF FIELD OF STUDY

Permission must first be obtained from the Scholarship Administrator if a recipient wants to transfer to another institution or change his/her field of study. A request shall be in writing and, if the request is to another institution, an acceptance letter from the institution to which a student is transferring must be submitted with the request for an approval of transfer.

8. REPAYMENT

- 8.1. All recipients of such scholarship are required to return to the CNMI no later than three (3) months after completion of their degree program.
- 8.2. Recipients, who fail to complete his/her educational degree program, will be required to repay the amount of scholarship awarded. The amount may either be repaid in full or in installments as determined by the Scholarship Advisory Board and the recipient.
- 8.3. Legal proceedings will be taken to recover the total amount of scholarships awarded in order to enforce the requirements provided in §8.1 and 8.2 above. The recipient shall also pay all legal expenses and fees incurred by the government in the effort to recover scholarship awards.
- 8.4. No penalty shall be imposed on a recipient who obtain their baccalaureate degree and decides to enter a post-graduate Degree Program. The repayment or cancellation of such scholarship will be deferred until the student obtains their post-graduate degree whether or not the student is receiving scholarship funds. However, should the student cease his/her post-graduate program, he/she must return to the CNMI within three (3) months to commence work. Failure to return will result in the student being required to repay all scholarship awards previously received.

9. FRAUDULENT INFORMATION

- 9.1 All documents received by the Scholarship Advisory Board are subject to verification from the Institution and sources from which it came. The applicant and his or her family or authorized representatives are individually responsible for the integrity of such documents. Recipients and the authorized representative who submit documents that are false or tampered in any way(s) will result in the recipient immediate and permanent removal from any Scholarship program administered by Scholarship Advisory Board. Documents include but are not limited to application, supporting documents, grade reports, transcript, etc.

10. APPEALS

- 10.1 A recipient who is denied P.L. 14-37 has the right to appeal to the Scholarship Advisory Board.
- 10.2 The appeal must be in writing addressed to the Chairperson of the Scholarship Advisory Board.
- 10.3 The appeal must be postmarked or hand-delivered no later than twenty-one (21) calendar days after notification of the decision by the Scholarship Administrator. If notification is via mail it shall be given via a certified mail, return receipt requested.
- 10.4 The appeal to the Scholarship Advisory Board shall be heard and decided pursuant to applicable CNMI law, including, but not limited to, the CNMI Administrative Procedure Act, 1 CMC Section 9101 et. seq.
- 10.5 **All** decisions by Scholarship Advisory Board on appeals are final regarding the administrative review process.

11. EFFECTIVE DATE

- 11.1 These Rules and Regulation shall take effect as soon as possible.

PUBLIC NOTICE OF PROPOSED REGULATIONS
WHICH ARE AMENDMENTS TO THE REGULATIONS
OF THE DEPARTMENT OF PUBLIC LANDS

INTENDED ACTION TO ADOPT THESE PROPOSED REGULATIONS: The Commonwealth of the Northern Mariana Islands, Department of Public Lands ("Public Lands") intends to adopt as permanent regulations the attached Proposed Regulations, pursuant to the procedures of the Administrative Procedure Act, 1 CMC § 9104(a). The Regulations would become effective 10 days after adoption and publication in the Commonwealth Register. (1 CMC § 9105(b))

AUTHORITY: These regulations are proposed under Public Lands' authority to manage and administer the Commonwealth's public lands under 1 CMC § 2801, Public Law No. 15-2, and Article XI, § 1 of the CNMI constitution.

THE TERMS AND SUBSTANCE: The amended Regulations expressly provide that the pick up of persons for commercial activities from Mañagaha Island, regardless of how such persons were initially transported to the Island, is limited to a Designated Concessionaire.

THE SUBJECTS AND ISSUES INVOLVED: These regulations:

1. Amend the Rules and Regulations Regarding the Commercial Use of Mañagaha Island at Title 145-30 NMIAC.
2. Amend § 145-30-010 ("Purpose") by stating the purpose for amending Part 100 ("Commercial Use of the Island") is to respond to a lawsuit that questions the applicability of this Part of the Regulations to marine sports operators.
3. Amend § 145-30-015 ("Definitions") by: (a) eliminating the definitions for commercial activity, commercial concession, and designated concession area; and, (b) redefining "corporation" and "designated concessionaire."
4. Amend § 145-30-101 ("Uses and Privileges") by substituting new language to state

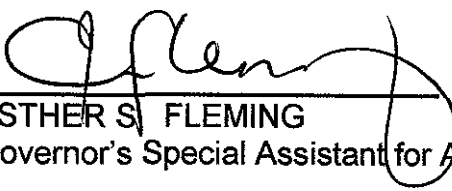

the prohibition on commercial uses associated with **Mañagaha** Island for anyone other than the Designated Concessionaire and its designee(s).

DIRECTIONS FOR FILING AND PUBLICATION: These Proposed Regulations shall be published in the Commonwealth Register in the section on proposed and newly adopted regulations (1 CMC § 9102(a)(1)) and posted in convenient places in the civic center and in local government offices in each senatorial district, both in English and in the principal vernacular. (1 CMC § 9104(a)(1))

TO PROVIDE COMMENTS: Send or deliver your comments to Ramon S. Salas, Acting Secretary, *Attn:* Amendment to Regulations on Commercial Use of **Mañagaha** Island, at the above address, fax or email address, with the subject line "Amended **Mañagaha** Regulations." Comments are due within 30 days from the date of publication of this notice. Please submit your data, views or arguments. (1 CMC § 9104(a)(2))

These proposed regulations were approved by the Acting Secretary on August 21, 2012.

Acting Attorney General

**COMMONWEALTH OF THE NORTHERN MARIUANA ISLANDS
DEPARTMENT OF PUBLIC LANDS**

**AMENDMENTS TO RULES AND REGULATIONS REGARDING
THE COMMERCIAL USE OF MAÑAGAHA ISLAND**

The CNMI Department of Public Lands, pursuant to its duties and responsibilities under 1 CMC § 2801, does hereby promulgate these rules and regulations that amend the "Purpose," "Definitions," and the "Use and Privileges" sections of the Rules and Regulations Regarding the Commercial Use of Mafiagaha Island at Title 145-30 NMIAC ("the Commercial Use Regulations").

Section One. **Purpose**

Section 145-30-010("Purpose") shall be amended to add the following language:

The purpose of this amendment to the 1993 regulations is as follows:

a. The primary purpose of Part 100 of the Commercial Use Regulations was to ensure that Designated Concessionaire for Mafiagaha Island receives the rights and privileges conferred by any exclusive concession agreement granted by the Corporation (now the Department of Public Lands).

b. The exclusive concession agreement is intended to provide the Designated Concessionaire with the exclusive right to all commercial commerce with persons on Mafiagaha Island regardless of how they came to visit the Island.

c. A recent lawsuit, *Island Marine Sports, Inc., et al., v. Department of Public Lands and Tasi Tours & Transportation, Inc.*, CNMI Superior Court Civil Case No. 12-0151-CV, has called into question the application of Part 100 ("Commercial Use of the Island") to marine sports operators who wish to pick up persons at Mañagaha Island for commercial activities, other than for mere transportation back to Saipan. These operators claimed, in part, that so long as they had delivered the persons to Mafiagaha Island originally they could later pick up such persons later in the day from Mafiagaha Island for a tour or activity, such as parasailing, and then either return such persons to Mafiagaha Island or to Saipan. Because these operators are not the Designated Concessionaire and have paid no consideration to the Department of Public Lands ("Public Lands") for the privilege of picking up tourists at Mafiagaha Island for commercial activities, their claim was incorrect under the existing regulations.

d. Public Lands believes that the existing regulations were clear when adopted in 1993 and continue to be clear today. These amendments, however, are promulgated in order to avoid wasting governmental resources litigating over the meaning of the existing regulations. Instead, Public Lands wishes to state expressly and unequivocally that the pick up of persons for commercial activities from Maiiagaha Island, regardless of how such persons were initially transported to the Island, is limited to the Designated Concessionaire and its **designee(s)**.

Section Two. **Amendment of Definitions Section**

Section 145-30-015 ("Definitions") shall be amended to read as follows:

§ 145-30-015 Definitions

- (a) Corporation: The Department of Public Lands, created by 1 CMC § 2801, and any future successor.
- (b) Designated Concessionaire: Whoever the Corporation designates to operate commercial concessions on the Island, and its **designee(s)**.
- (c) Island: **Maiiagaha** Island.
- (d) Boat and Tour Operators: Any person who transports tourists to the island for any type of fee or other compensation.
- (e) Tourist: A person who is not a resident of the CNMI.

Section Three. **Amendment of Uses and Privileges Section**

Section 145-30-101 ("Uses and Privileges") shall be amended to read as follows:

- (a) No person other than the Designated Concessionaire shall engage in any Commercial Activity on Maiiagaha Island or departing from Maiiagaha Island with the exception of **providing** mere transportation from Saipan to Maiiagaha Island or from **Maiiagaha** Island to Saipan. This is regardless of how or by whom the persons engaging in the activity were first transported to Maiiagaha Island.
- (b) The term "Commercial Activity" consists of two elements: (i) "commercial" means an activity conducted for profit or resulting in profit by a person required to have a business license to conduct the activity, and (ii) "activity" includes, but is not limited to, the following activities:
 - (1) the preparation, delivery, sale, or provision of food or beverages on the Island;

(2) the rental or sale of water sports equipment, recreational equipment, or beach equipment, and related supplies;

(3) the conduct or operation of any tour or activity on the Island or departing from the Island (regardless of how or by whom the persons taking the tour or engaging in activity were first transported to the Island) which shall include any underwater activities, including but not limited to SCUBA diving, SNUBA diving, snorkeling, BOB and sea walker-type tours, and any surface water activities, including but not limited to parasailing, banana boat rides, pedal bikes, power boat lagoon cruises, windsurfing, canoe rentals, canoe tours, kayak rentals, and kayak tours;

(4) the sale of any goods or services on the Island; and,

(5) the provision of entertainment for profit on the Island.

(c) Illustrations: The following examples are offered to illustrate, but not limit, the effect of this section. These examples use the activity of parasailing, but they apply to other commercial activities as well.

(1) Mafiagaha to Maiiagaha commercial activity: A person on Mafiagaha Island is picked up from the Island for parasailing (for profit) and is then returned to Mafiagaha Island when the activity is completed. Regardless of who brought the person to the Island, where the person was solicited or entered into an agreement to go parasailing, or whether that person is on a package tour that began off the Island, only the Designated Concessionaire is permitted to take the person parasailing where the departure is from Maiiagaha Island.

(2) Maiiagaha to Saipan commercial activity: If the facts are the same as in (1), except that the person does not return to Mafiagaha Island, but parasails on the return trip to Saipan, the outcome is the same. This is more than mere transportation. It is a commercial activity departing from Mafiagaha Island. Only the Designated Concessionaire is permitted to take the person parasailing.
