**ORDER ADOPTING CHILD SUPPORT GUIDELINES**

¶ 1 This matter comes before the Court on our own motion to adopt the *Northern Marianas Islands Child Support Guidelines*, attached as Exhibit A. The Guidelines were drafted through the collective effort of a committee comprised of representatives from the Judiciary, the Office of the Attorney General, Micronesia Legal Services, the Nutritional Assistance Program, and the Department of Commerce.

¶ 2 The purposes of these Guidelines are manifold, including uniformity in child support awards, the maintenance of financial security, a reduction in litigation and costs in child support disputes, and to encourage equitable settlement between parents. To ensure the Superior Court meets these goals, and pursuant to the Court's inherent and supervisory powers encompassed in Article IV of the NMI Constitution, it is **HEREBY ORDERED** that the Guidelines are adopted effective on the date of this Order.

ENTERED this 6th day of April, 2020.

**Guideline 1. Title, Authority, and Purpose.**

- (a) **Title.** These Guidelines shall be known as the Northern Mariana Islands Child Support Guidelines.
- (b) **Authority.** These Guidelines are promulgated pursuant to the Supreme Court's inherent and supervisory powers under Article IV of the NMI Constitution.
- (c) **Purpose.** The primary purposes of the Guidelines are:
  - (1) To obtain uniformity in child support awards;
  - (2) To ensure that children from single-parent homes have the same or similar financial security they would have if they lived in a two-parent home;
  - (3) To reduce litigation and costs in child support disputes;
  - (4) To encourage equitable settlement between parents;
  - (5) To comply with federal law (42 U.S.C. §§ 651 *et seq.*); and
  - (6) To comply with local law (1 CMC § 3206).

**Guideline 2. Premises.**

- (a) **Applicability.** The Guidelines apply to all children born in or out of wedlock and all adopted children.
- (b) **Standard of Living.** The child support award should provide the children the standard of living which as closely as possible approximates the one they would have if the family had remained together, while also recognizing the costs of maintaining two households.
- (c) **Other Financial Obligations.** The child support obligation has priority over all other financial obligations.
- (d) **Receiving Support.** The Guidelines do not prohibit the custodial parent from receiving child or spousal support.
- (e) **Other Children.** The court shall account for the obligation to support other children as defined in Guideline 4(c)(1)(B).

**Guideline 3. Presumptions.**

- (a) **Applicability.** The Guidelines apply to all actions establishing or modifying temporary or permanent child support.
- (b) **Deviation.** The court may deviate from the Guidelines when special circumstances or specific conditions exist that Guideline 2 does not encompass, or where application of the Guidelines would be inequitable. The court shall enter specific findings on the record when deviating from the Guidelines.

- (c) **Needs.** Schedule A presumes the costs to provide for the average needs of children. The court may grant a request for child support in excess of the calculations established by the Guidelines. The parent seeking a child support award must support this request through direct evidence presented at the hearing proving the actual needs of the child exceed the Guidelines calculations.

**Guideline 4. Calculating Child Support: Sole Physical Custody.**

- (a) **Applicability and Scope.** This Guideline governs the child support obligations to a parent with sole physical custody over a child. The parent who does not have sole physical custody over a child is the non-custodial parent.
- (b) **Income Types.**
  - (1) *Gross Income.* Gross income means actual monthly gross income of the parent if employed to full capacity, potential income if unemployed or underemployed, or imputed income based upon “in-kind” benefits.
    - (A) Monthly gross income includes, but is not limited to: salaries, wages, commissions, bonuses, overtime, partnership distributions, dividends, severance pay, pensions, interest, trust income, annuities, capital gains, social security benefits, worker’s compensation benefits, unemployment insurance benefits, disability insurance benefits, gifts, prizes, and alimony or maintenance received from other marriages.
    - (B) Monthly gross income excludes benefits from means-tested public assistance programs including, but not limited to: Temporary Assistance to Needy Families (“TANF”), Supplemental Security Income (“SSI”), Supplemental Nutritional Assistance Program, general assistance, or sums received as child support.
  - (2) *Potential Income.* Calculations for parents who are voluntarily unemployed or underemployed shall be based on a determination of potential income. Potential income includes an evaluation of a number of factors, such as: employment potential and probable earnings level based on the parent’s assets, residence, employment and earnings history, job skills, educational attainment, literacy, age, health, responsibility for pre-school children of custodial parents, criminal record and other employment barriers,

record of seek working; the local job market; the availability of employer's willing to hire the non-custodial parent; prevailing wages in the local community; and other relevant background factors in the case.

(3) *Self-Employment*. Gross income from self-employment, operation of a business, rent, and royalties consists of gross receipts minus ordinary and necessary expenses. Gross income from self-employment may differ from a determination of business income for tax purposes.

(i) In general, the types of income and expenses should be carefully reviewed to restrict the deductions to reasonable out-of-pocket expenditures necessary to produce income. These expenditures may include a reasonable yearly deduction for necessary capital expenditures.

(ii) Expense reimbursements or benefits received by a parent during employment, self-employment, or operation of a business should be counted as income if they are significant and reduce personal living expenses. Such benefits may include a company car, free housing, or reimbursed meals.

(iii) Self-employed persons shall be permitted to deduct the portion of their Federal Insurance Contributions Act ("FICA") tax payment that exceeds the FICA tax that would be paid by an employee earning the same monthly gross income.

**(c) Calculating Child Support Obligations.**

(1) *Adjusted Gross Income*. Each parent's adjusted gross income will be established by deducting the following from the gross income of each parent:

(A) *Self-support*. Self-support in the amount of \$550.00.<sup>1</sup>

(B) *Other Court-Ordered Obligations*. Where applicable, monthly court-ordered spousal maintenance, child

---

<sup>1</sup> The self-support figure is based on the 2019 U.S. Department of Health and Human Services Poverty Guidelines for the 48 contiguous states and the District of Columbia. Under the Poverty Guidelines, the poverty threshold for a family of four is \$25,750. This equates to \$536.46 per person per month. The CNMI Child Support Guidelines rounds this figure to \$550.00.

support of other children, or child support actually paid where there is no court order.

(i) “Other children” includes children who are not subject of the particular child support determination.

(C) *Other Children*. Where applicable, \$50.00 for each child living with each parent.

(D) *Medical Insurance*. Where applicable, the cost of medical insurance coverage for the parent paying the insurance premium to be calculated on a per capita basis. Reimbursement for health insurance premiums may be awarded to the respective parent in place of a gross-income deduction.

(2) *Combined Adjusted Monthly Gross Income*. The combined total of each parent’s adjusted gross income is the combined adjusted monthly gross income.

(3) *Basic Child Support Obligation*. The basic child support obligation shall be established by:

(A) Locating the combined adjusted gross income on Schedule A;

(B) Matching the combined adjusted gross income on Schedule A to the column for the number of children involved; and

(C) Multiplying the figure in Rule 4(c)(3)(B) with the corresponding percentage in Schedule A.

(i) *Minimum*. The minimum basic child support obligation shall be \$50.00 per child per month.

(ii) *Supplemental Security Income*. No child support order shall be entered in the case of the non-custodial parent whose sole source of income is SSI.

(4) *Total Child Support Obligations*. The following items may be added by the court to the basic child support obligation:

(A) *Child Care Costs*. Childcare expenses appropriate to the parent’s financial abilities and the children’s lifestyle had the family remained intact;

(B) *Education Expenses*. Reasonable and necessary expenses for attending private or special schools, or necessary expenses to meet a child’s particular educational needs when such expenses are incurred by the agreement of both parents or as ordered by the court; and

- (C) *Older Child Adjustment.* The court may increase child support for an older child up to ten percent of the support on Schedule A.
- (5) *Proportional Share.* The total child support obligation shall be divided between parents in proportion to their adjusted gross income. Multiple each parent's percentage of his or her combined adjusted gross income by the total child support obligation. The custodial parent shall be presumed to spend his or her share on the children. The court shall order the noncustodial parent to pay child support in an amount equal to his or her proportionate share of the total child support obligation.
- (d) **Income Unknown.** If the non-custodial parent's income is unknown, a temporary child support award shall be set at \$150.00 per child. Worksheet A need not be filled out.
- (e) **Visitation.** The court may consider the costs of visitation and may allocate such costs between the parents in proportion to their ability to pay.
- (f) **Abatement.** When the non-custodial parent is directly providing for the children's need for an extended period, such as on a long visit, the court may order a reduction of child support paid to the custodial parent.

**Guideline 5. Calculating Child Support: Shared Physical Custody.**

- (a) **Applicability and Scope.** This Guideline governs the child support obligations to a parent with shared physical custody over a child. A parent has shared physical custody if the child or children reside with that parent between forty to sixty percent of the year, regardless of the status of legal custody. The period of residence must be specified in a custody order by the court.
- (b) **Failure to Exercise Custody.** The child support order shall state that failure to exercise sufficient physical custody to qualify for shared physical custody under Guideline 5 is grounds for modification of the child support order. Denial of shared physical custody by the court is not cause to modify child support.
- (c) **Duplicated Expenses.** Because shared physical custody presumes that certain basic expenses for the children will be duplicated, an adjustment for shared physical custody is made by multiplying the basic child support obligation by one hundred fifty percent.

- (d) **Calculating Child Support Obligations.**
- (1) *Gross Income.* Establish each parent's gross income as set out in Guideline 4(b).
  - (2) *Adjusted Gross Income.* Establish each parent's adjusted gross income as set out in Guideline 4(c)(1).
  - (3) *Combined Adjusted Gross Income.* The combined total of each parent's adjusted gross income is the combined adjusted monthly gross income.
  - (4) *Shared Physical Custody Obligation.* The shared physical custody obligation shall be established by the following steps:
    - (A) Locate the combined adjusted gross income on Schedule A;
    - (B) Match the combined adjusted gross income on Schedule A to the column for the number of children involved;
    - (C) Multiply the figure established in Guideline 5(d)(4)(B) by 1.5 to get the shared physical custody support obligation;
    - (D) Take each parent's adjusted gross income and divide by the combined adjusted gross income to get each parent's percentage share of income; and
    - (E) Multiply the shared physical custody support obligation with the percentage share of income for each parent to get each parent's shared physical custody obligation.
  - (5) *Time Spent.* Establish the number of overnights with each parent, which must have a combined total of 365 days. Divide the number of overnights for each parent and divide by 365 to determine the percentage of time with each parent.
    - (A) Use Worksheet A for sole physical custody circumstances where the number of overnights with either parent is less than 146.
  - (6) *Support Obligation for Time with Other Parent.* Multiply each parent's shared physical custody support obligation established by the steps in Guideline 5(d)(4) and multiple it by the percentage of time spent with the other parent established in Guideline 5(d)(5) to establish the support obligation for time with other parent total.
  - (7) *Total Child Support Obligations.*
    - (A) *Total Necessary Expenses.* Each parent's share of necessary expenses is determined by the following steps:

- (i) Add any expenses outlined in Guideline 4(c)(4) to the support obligation for time with other parent total;
  - (ii) Combine each parent's total necessary expenses; and
  - (iii) Multiply the combined necessary expenses by each parent's percentage share of income established by Guideline 5(d)(4)(A)-(D).
- (B) *Exceeding Fair Share.* Determine whether the expenses paid by either parent are in excess of their fair share by subtracting each parent's share of necessary expenses established in Guideline 5(d)(7)(A) from a parent's total necessary expenses established in Guideline 5(d)(7)(A)(i).
- (C) *Each Parent's Adjusted Support Obligation.* Determine each parent's adjusted support obligation by subtracting the figure from Guideline 5(d)(7)(B) from the support obligation for time with other parent established in Guideline 5(d)(6). If the original figure was negative, subtract zero from the support obligation for time with the other parent established in Guideline 5(d)(6).
- (e) **Recommended Child Support Obligation.** Subtract the lesser amount from the greater amount of each parent's adjusted support obligation established in Guideline 5(d)(7)(A)-(C). The court shall order the difference paid by the appropriate parent.

**Guideline 6. Gifts in Lieu of Money.**

The child support award is to be paid in money. Gifts of clothing, supplies, voluntary payment of costs or expenses, etcetera in lieu of money is not to be offset against the child support award, except by court order.

**Guideline 7. Medical Insurance.**

An award for child support shall assign responsibility for providing medical insurance for the children who are subject of the support award. The court shall specify the percentage of uninsured medical expenses for the children which each parent shall pay. The apportionment shall reflect the parents' respective abilities to pay.

**Guideline 8. Review, Adjustment, and Modification.**

Review and adjustment may be initiated by the parties or the Office of the Attorney General, Child Support Enforcement Division when:

- (a) There is no provision for health insurance in the court order;
- (b) In TANF cases, thirty-six months have elapsed after establishment of the order or most recent review; or
- (c) In non-TANF cases, thirty-six months have elapsed after establishment of the order, or most recent review, or when requested by either parent.

**Guideline 9. Court's Findings.**

The court shall make findings in the record as to: adjusted monthly gross income, basic child support obligation, total child support obligation, each parent's proportionate share of total child support obligation, the child support award, the nature of physical custody (whether primary or shared), and medical support.

**Guideline 10. Original or Pre-Existing Awards.**

All child support awards shall be made pursuant to these Guidelines, whether they be original awards or pre-existing awards modified to conform with these Guidelines, commencing on the effective date of these Guidelines.

**Guideline 11. Appendix and Revision.**

The appendix may include standard forms, charts, tables, references, additional definitions, or other materials deemed appropriate under these Guidelines. The Judiciary may add, amend, or update the appendix under these Guidelines without Supreme Court order.

**INSTRUCTIONS  
FOR COMPLETING WORKSHEET “A”  
FOR SOLE CUSTODY**

5 This worksheet provides the information the court needs to determine child support in  
6 accordance with the Child Support Guidelines. You may get a copy of the Guidelines from the  
7 Office of the Attorney General, Child Support Enforcement Division, or log on to  
8 [www.cnmioag.org](http://www.cnmioag.org).

9  
10

**COMPLETE THIS WORKSHEET IF:**

- You are a party to a court action that might establish a child support obligation.
- You are a party to a court action to modify an existing order for child support.

11 The instructions are numbered to match the numbers on the worksheet. The number in brackets  
12 after the instructions tells you where to look in the guidelines for this item.

13 Type or print neatly using black or blue ink.

14  
15

**BASIC INFORMATION**

- 16 (1) If you are providing this information to establish a child support amount, fill in the  
17 name of the persons shown as the petitioner(s) on the original petition filed in the  
18 case.
- 19 (2) Fill in the name of the person shown as the respondent on the original petition in the  
20 case.
- 21 (3) If you have an order establishing support, fill in the case number of that order. If you

25  
26

**MONTHLY GROSS INCOME**

- 27 (5) Fill in the amount of your gross income each month. Also fill in the total monthly

Gross earnings means the amount before taxes and other deductions are taken out. For  
income from self-employment, rent, royalties, proprietorship of a business, or joint

1 ownership of a partnership or closely held corporation, gross income means gross  
2 receipts minus ordinary and necessary expenses required to produce that income.

3 Gross income does not include benefits from means-tested public assistance programs  
4 such as Temporary Assistance for Needy Families (TANF), food stamps, general  
5 assistance, and Supplemental Security Income (SSI); and, it does not include child  
6 support payments you receive. [Rule 5(A)(1)]

6 Gross Income INCLUDES monies from:  
7 salaries, wages, commissions, bonuses, overtime, partnership distributions, dividends,  
8 severance pay, pensions, interest, trust income, annuities, capital gains, social security  
9 benefits, workmen's compensation benefits, unemployment insurance benefits,  
10 disability insurance benefits, gifts, prizes, and alimony or maintenance received from  
11 other marriages.

### 10 **ADJUSTED MONTHLY GROSS INCOME**

14 actually pay each month for children from previous relationships. [Rule 5(B)(1)(b)]

15 (8) Fill in the amount of court-ordered medical insurance premiums for children you  
16 and/or the other parent pay each month. [Rule 5(B)(1)(d)]

17 (9) You may ask the court to consider the financial obligation you have to support other  
18 children where there is no court order requiring you to pay support. An explanation of  
19 what is included in the figure entered here should be provided on page 4, number 9,  
20 of Worksheet A. [Rule 5(B)(1)(c)]

22 amount of those items for each parent on this line.

23 (11) For each parent, subtract the number on line 10 from the number on line 5. Write  
24 the result on this line. This is the Adjusted Monthly Gross Income for each parent.

### 24 **COMBINED ADJUSTED MONTHLY GROSS INCOME**

26 the Mother). This is the Combined Adjusted Monthly Gross Income.

6 **NECESSARY EXPENSES**

7 (15) If the parent with primary custody is working, fill in the monthly cost of day care  
8 necessary to allow that parent to work. [Rule 5(E)(1)]

9 (16) Fill in the monthly amount of reasonable and necessary expenses for special or  
10 private schools and special educational activities. These expenses must be agreed  
11 upon by both parents or ordered by the court. [Rule 5(E)(2)]

12 (17) Average expenditures for children over age 12 are approximately 10% higher than  
13 those for younger children. Therefore, if support is being determined for children over  
14 12, enter the dollar amount of increase you believe this warrants. Tell why you think  
15 more support is needed on page 4, number 17, of Worksheet A. [Rule 5(E)(3)]

16 (18) Add the numbers from lines 15, 16, and 17. Enter the total amount on this line.

16 **TOTAL CHILD SUPPORT OBLIGATION**

17 (19) Add the numbers on lines 14 and 18. Write the sum on this line. This is the Total  
18 Child Support Obligation amount.

19 **EACH PARENT'S PERCENTAGE (%) OF COMBINED INCOME**

20 Complete the calculations in this section to the best of your knowledge and ability.

21 (20) For each parent, fill in the amount shown on line 11.

22 (21) Fill in the amount from line 12.

23 (22) For each parent, divide the number written on line 20 by the number written on  
24 line 21. This will probably give you a decimal point answer less than 100%.  
25 However, if one parent earns all of the income for the family, this number will be  
26 100%.

27 EXAMPLE: Line 20 = \$ 600  
28 Line 21 = \$1,000

1  $\$600/\$1,000 = .60$  or 60%

2 **EACH PARENT'S PERCENTAGE (%) OF THE TOTAL CHILD SUPPORT**  
3 **OBLIGATION**

4 Complete the calculation in this section to the best of your knowledge and ability.

5 (23) Fill in the number from line 19.

6 (24) For each parent, fill in figure from line 22.

7  
8 (25) For each parent, multiply the figure on line 23 by the figure on line 24. This  
9 equals the amount each parent should pay for child support.

10 EXAMPLE: Line 23 = \$ 200  
11 Line 24 = .60  
12  $\$200 \times .60 = 120$  or \$120.00

13 **OTHER ALLOCATIONS**

14 (26) The court may consider the cost of visitation, therefore, you should describe the  
15 expected visitation plan and related expenses. Write the explanation on page 4, and,  
16 on this line, list the dollar amount or percentage you think each parent should pay  
17 toward visitation. The court will decide how to allocate the expense. [Rule 5(J)]

18 (27) The court must specify each parent's proportionate share of uninsured medical  
19 expenses for the child(ren). Based on each parent's ability to pay, indicate what you  
20 think this percentage should be for each parent. The court will make the final  
21 decision. [Rule 8]

22 (28) Fill in the name, address, and phone number of the person filling out the form.  
23 (An attorney must also list the name of the person represented).

24 The person completing the worksheet should sign here affirming correctness of the  
25 information. (If both parents complete the form together, both should sign here.)

26 **WHEN YOU HAVE COMPLETED THIS WORKSHEET:**

27 Make a copy of the worksheet for your records, make a copy to send or deliver to the other party  
28 prior to the hearing, and take the original to court at the time of your hearing.

**PAYMENT SCHEDULE**

1 For use of the following table showing the Combined Adjusted Monthly Gross Income  
2 (CAMGI) per number of children covered, the correct amount is calculated using the appropriate  
3 percentage figure. You may use the dollar figure only with the exact CAMGI shown in the table.

4 **FOR EXAMPLE:**

5 If the Combined Adjusted Monthly Gross Income is \$2,150.00 and 5 children are shown  
6 to be covered by the award, multiply \$2,150.00 by the closest percentage shown, or 0.\_\_\_\_.

7  $\$2,150.00 \times 0.____ = \$_____$

**INSTRUCTIONS  
FOR COMPLETING WORKSHEET “B”  
FOR SHARED PHYSICAL CUSTODY**

5 This worksheet provides the information the court needs to determine child support in  
6 accordance with the Child Support Guidelines. You may get a copy of the Guidelines from the  
7 Office of the Attorney General, Child Support Enforcement Division, or log on to  
8 [www.cnmioag.org](http://www.cnmioag.org).

9  
10

**COMPLETE THIS WORKSHEET IF:**

- You are a party to a court action that might establish a child support obligation.
- You are a party to a court action to modify an existing order for child support.

11 The instructions are numbered to match the numbers on the worksheet. The number in brackets  
12 after the instructions tells you where to look in the guidelines for this item.

13 Type or print neatly using black or blue ink.

14

**BASIC INFORMATION**

- 15 (1) If you are providing this information to establish a child support amount, fill in the  
16 name of the persons shown as the petitioner(s) on the original petition filed in the  
17 case.
- 18 (2) Fill in the name of the person shown as the respondent on the original petition in the  
19 case.
- 20 (3) If you have an order establishing support, fill in the case number of that order. If you  
21 do not yet have an order establishing a support obligation, leave this item blank.
- 22 (4) Mark the appropriate box to indicate whether you are the mother or father of the  
23 children for whom child support is requested.

24

**MONTHLY GROSS INCOME**

- 25 (5) Fill in the amount of your gross income each month. Also fill in the total monthly  
26 gross income for the other parent, to the best of your knowledge. If a parent is  
27 unemployed or underemployed, include an estimate of what you think that parent  
28 would be earning if he or she worked at full earning capacity. [Rule 5(A)(1)]

Gross earnings means the amount before taxes and other deductions are taken out. For  
income from self-employment, rent, royalties, proprietorship of a business, or joint

1 ownership of a partnership or closely held corporation, gross income means gross  
2 receipts minus ordinary and necessary expenses required to produce that income.

3 Gross income does not include benefits from means-tested public assistance programs  
4 such as Temporary Assistance for Needy Families (TANF), food stamps, general  
5 assistance, and Supplemental Security Income (SSI); and, it does not include child  
6 support payments you receive. [Rule 5(A)(1)]

6 Gross Income INCLUDES monies from:  
7 salaries, wages, commissions, bonuses, overtime, partnership distributions, dividends,  
8 severance pay, pensions, interest, trust income, annuities, capital gains, social security  
9 benefits, workmen's compensation benefits, unemployment insurance benefits,  
10 disability insurance benefits, gifts, prizes, and alimony or maintenance received from  
11 other marriages.

### 10 **ADJUSTED MONTHLY GROSS INCOME**

11 (6) Fill in the total amount of spousal maintenance you and/or the other parent actually  
12 pay to former spouses each month. [Rule 5(B)(1)(b)]

13 (7) Fill in the total amount of court-ordered child support you and/or the other parent  
14 actually pay each month for children from previous relationships. [Rule 5(B)(1)(b)]

15 (8) Fill in the amount of court-ordered medical insurance premiums for children you  
16 and/or the other parent pay each month. [Rule 5(B)(1)(d)]

17 (9) You may ask the court to consider the financial obligation you have to support other  
18 children where there is no court order requiring you to pay support. An explanation of  
19 what is included in the figure entered here should be provided on page 3, number 9,  
20 of Worksheet B. [Rule 5(B)(1)(c)]

21 (10) For each parent, add the amounts for numbers 5(a), 6, 7, 8, and 9. Put the total  
22 amount of those items for each parent on this line.

23 (11) For each parent, subtract the number on line 10 from the number on line 5. Write  
24 the result on this line. This is the Adjusted Monthly Gross Income for each parent.

### 24 **COMBINED ADJUSTED MONTHLY GROSS INCOME**

25 (12) Add the two numbers on line 11 together (the one for the Father and the one for  
26 the Mother). This is the Combined Adjusted Monthly Gross Income.

### 27 **BASIC CHILD SUPPORT OBLIGATION**

1 (13) Each parent's Adjusted Monthly Gross Income on line 11 is divided by the  
2 Combined Adjusted Monthly Gross Income on line 12 to get the Percentage Share of  
Income of Each Parent on line 13.

3  
4 (14) Enter the number of children from this relationship for whom support is being  
sought. Write this on line 14.

5  
6 (15) On the attached child support Schedule of Basic Child Support Obligations, find  
the number that is closest to the Combined Adjusted Monthly Gross Income listed on  
7 line 12. Then go to the column for the number of children listed on item 13. This  
amount is your Basic Child Support Obligation. Write the amount on this line.

8 **SHARED PHYSICAL CUSTODY SUPPORT OBLIGATION**

9  
10 (16) Take the amount of the Basic Child Support Obligation on line 15 and multiply it  
by 1.5 to determine the Shared Physical Custody Support Obligation. Write this  
11 amount on line 16.

12 (17) Multiply the Shared Physical Custody Support Obligation on line 16 by the  
13 Percentage Share of Income of each parent as shown on line 13. This is Each Parent's  
Portion of Shared Physical Custody Support Obligation. Write this amount for each  
14 parent on line 17.

15 (18) Determine the number of overnights with each parent (this answer must total  
16 365). Write this number on line 18. If the overnights with either parent is less than  
146, use Worksheet A for sole custody situations.

17  
18 (19) Take the number of overnights with each parent and divided by 365 to determine  
the Percentage of Time With Each Parent. Write this number on line 19.

19  
20 (20) Take Each Parent's Portion of Shared Physical Custody Support Obligation on  
line 17 and multiply it by the other parent's Percentage of Time With Each Parent on  
21 line 19. This is the Support Obligation for Time With Other Parent. Write this number  
on line 20.

22 **NECESSARY EXPENSES**

23  
24 (21) If the parent with primary custody is working, fill in the monthly cost of day care  
necessary to allow that parent to work. [Rule 5(E)(1)]

25  
26 (22) Fill in the monthly amount of reasonable and necessary expenses for special or  
private schools and special educational activities. These expenses must be agreed  
27 upon by both parents or ordered by the court. [Rule 5(E)(2)]

1 (23) Average expenditures for children over age 12 are approximately 10% higher than  
2 those for younger children. Therefore, if support is being determined for children over  
3 12, enter the dollar amount of increase you believe this warrants. Tell why you think  
more support is needed on page 4, number 23, of Worksheet B. [Rule 5(E)(3)]

4 (24) For each parent, add the numbers from lines 21, 22, and 23. Enter the total  
5 amount on this line.

6 (25) This is the Combined Total Necessary Expenses.

7 **EACH PARENT'S SHARE OF NECESSARY EXPENSES**

8 (26) Multiply the Combined Total Necessary Expenses on line 25 by the Percentage  
9 Share of Income of each parent on line 13. Write the amount on this line. This is each  
10 parent's Share of Necessary Expenses.

11 **EXPENSES PAID IN EXCESS OF FAIR SHARE**

12 (27) Subtract Each Parent's Share of Necessary Expenses on line 26 from the Total  
13 Necessary Expenses for that parent on line 24 (line 24 minus line 26). Write the  
14 amount on this line. If the number is negative, enter zero. This is the Expenses Paid in  
Excess of Fair Share.

15 **EACH PARENT'S ADJUSTED SUPPORT OBLIGATION**

16 (28) Subtract the Expenses Paid in Excess of Fair Share on line 27 from the Support  
17 Obligation for Time With Other Parent (line 20). Write the amount on this line. This  
18 is Each Parent's Adjusted Support Obligation.

19 **RECOMMENDED CHILD SUPPORT ORDER**

20 (29) The Recommended Child Support Order is determined by subtracting the lesser  
21 amount from the greater amount of Each Parent's Adjusted Support Obligation and  
enter result under greater amount.

22 **OTHER ALLOCATIONS**

23 (30) The court must specific each parent's proportionate share of uninsured medical  
24 expenses for the child(ren). Based on each parent's ability to pay, indicate what you  
25 think this percentage should be for each parent. The court will make the final  
26 decision. [Rule 8]

27 (31) Fill in the name, address, and phone number of the person filling out the form.  
28 (An attorney must also list the name of the person represented).

The person completing the worksheet should sign here affirming correctness of the information. (If both parents complete the form together, both should sign here.)

**WHEN YOU HAVE COMPLETED THIS WORKSHEET:**

Make a copy of the worksheet for your records, make a copy to send or deliver to the other party prior to the hearing, and take the original to court at the time of your hearing.

**PAYMENT SCHEDULE**

For use of the following table showing the Combined Adjusted Monthly Gross Income (CAMGI) per number of children covered, the correct amount is calculated using the appropriate percentage figure. You may use the dollar figure only with the exact CAMGI shown in the table.

**FOR EXAMPLE:**

If the Combined Adjusted Monthly Gross Income is \$2,150.00 and 5 children are shown to be covered by the award, multiply \$2,150.00 by the closest percentage shown, or 0.\_\_\_\_\_.

$$\$2,150.00 \times 0._____ = \$_____$$
